

Accelerate Your Goals Today

Become a nurse efficiently and affordably

UPMC Schools of Nursing are here to help you accelerate your goals. With six locations throughout Pennsylvania and various program options to suit your learning needs, UPMC Schools of Nursing pave your path to becoming a Registered Nurse in as little as 16 months.

Tuition and Aid

We know the cost of higher education is intimidating, so we're committed to keeping quality, innovative nursing education as affordable as possible.

New! Tuition Loan Forgiveness

Students who successfully complete their first semester and continue to meet academic requirements are eligible to receive up to **\$7,000/semester in tuition forgiveness*** for all remaining semesters — and you'll secure a nursing position with UPMC once you graduate! UPMC Schools of Nursing also participate in grant and loan programs for students with financial need.

** For students who enrolled in 2023 or later. A work commitment of up to three years is required upon program completion. Tuition Loan Forgiveness is applied after all other grant and aid funding.*

Why Choose UPMC Schools of Nursing?

1. Save Money: **Become a Registered Nurse up to two years sooner** than you would in a traditional four-year degree program, **at a fraction of the cost.**
2. Gain hands-on experience: **Get clinical experience in UPMC's state-of-the-art facilities.** By the time you graduate, you'll have over 950 hours of clinical experience.
3. Set Yourself Up for Success: Receive personalized guidance to help you **gain the skills and confidence you need for a successful nursing career** with a small educator-to-student ratio in clinical settings, as well as dedicated student success managers.

Program tracks that fit your lifestyle

Students of all ages have different learning styles and preferences. That's why UPMC Schools of Nursing offer four different program types to help you find your nursing school fit. Whether you're looking to get your diploma as quickly as possible or you're looking for a program that allows you to work while you study, UPMC Schools of Nursing have you covered.

- **16-month full-time program:** Earn your diploma in four semesters with our standard accelerated nursing program. Classes begin in the fall and are weekdays, daylight hours.
 - > Available at all campuses
 - > UPMC Shadyside offers additional spring start
 - > UPMC Mercy offers additional summer start date
- **24-month extended program:** Learn at the pace that works for you! This gradual program runs for six semesters, with classes during daylight hours.
 - > Available at UPMC Mercy location only with a fall start
- **32-month part-time program:** Designed for working professionals and non-traditional students, this eight-semester program includes evening and weekend classes to suit your lifestyle.
 - > Available at UPMC Shadyside location only
- **LPN-RN bridge program:** Designed for current Licensed Practical Nurses (LPNs), this four-semester program is designed to help you grow your career to become a Registered Nurse in 16 months, eliminating introductory nursing courses.
 - > Available at UPMC St. Margaret, UPMC Jameson, and UPMC Hamot locations
