

UPMC Magee's Future Healthcare Professionals Summer Enrichment Program

CHOOSE YOUR TOMORROW

UPMC Magee-Womens Hospital is offering an invaluable learning opportunity to gather firsthand experience in the healthcare field. During this five-week program, students will be paired with healthcare professionals, working closely in various areas in the hospital setting. **Spots are limited, apply by April 30, 2025**

Program Details

- Every Monday, Wednesday, and Friday from 9am to 2pm at UPMC-Magee Womens Hospital
- There will be two sessions – June 16, 2025 – July 18, 2025 or July 14, 2025 – August 15, 2025
- Students will be provided lunch daily, parking, and a uniform shirt
- Students will receive a stipend after completion of the program

Requirements:

- Current high school student age 15 or older
- QPA of at least 2.5
- Submit one recommendation form accessible using the QR code at the right
- Must complete a brief application using the QR code at the right
- If selected, must complete all onboarding requirements and TB test
